Football Betting should be EASY. No one wants to spend HOURS working out complicated statistics and trawling the internet for the latest news on numerous teams and players. Let us do the hard work and we will send you our weekly tips to follow that will literally take you 5 minutes to bet. Some tipsters like to tip everything under the sun, these guys are hard to follow and more often than not bet for the sake of it and eventually will lose. The Value Football Tips service is HIGHLY selective and gives only the best bets, no filler. This service is perfect for you if you have a job, family or other commitments. Or simply have better more enjoyable ways to spend your time... Such as getting your bet on, watching the game and collecting

your winnings!
